

# Monthly Bulletin

December 2016

The KnowFife Dataset email bulletin is a monthly update and roundup of information relating to the KnowFife Dataset. The KnowFife Dataset provides access to a broad range of social, economic and health and wellbeing indicators for partners and the public in Fife. <http://knowfife.fife.gov.uk>

## **KnowFife Dataset Introduction**

We'd like to introduce Kerry Humphries who took on the role of KnowFife Co-ordinator in September. Kerry has a wealth of experience in health information data systems and analysis and a keen interest in the wider determinants of population health. Please see below for contact information.
